

# Daffy's Pet Soup Kitchen

## Keeping Pets and Their Families Together

Our mission at Daffy's Pet Soup Kitchen is to keep families and their pets together. It's no secret that America has an overpopulation of homeless pets. By providing pet food to families that would otherwise have to give up their beloved pets, we are helping to keep animals out of shelters and in their warm, happy homes where they belong. This also gives the animals currently in shelters more time to find their forever homes.

By supporting Daffy's, you can help lower the number of pets surrendered by their owners, thus reducing the number of animals that are being euthanized in high-kill shelters. Daffy's currently feeds over 1500 pets in Georgia alone. We have given out over 1 million pounds of pet food and supplies and have provided over 4 million meals to hungry pets. We also have helped to make spay/neutering more accessible and have provided assistance with more than 2500 spays and neuters.

And because those helped by Daffy's are required to perform community service in order to receive our assistance, we actually give back to communities with over 5000 service hours each month. As you can see, by supporting our pet soup kitchen you not only make a difference in the lives of pets and their families, but also in the animal shelters and in your local community!

There are still hundreds of families, just in and around Atlanta alone, that could use our help. Please help Daffy's help others!

## Wish List

Just as much as we appreciate cash donations, we also appreciate items donated as well. If you have any of the items below that you are no longer in need of, we would very much appreciate them so we can continue to best serve the our people and pets in need.
